Dear Mr. Schuffert;

At the February 18th meeting of the Northwest Indiana Federation of Labor, a resolution was unanimously passed to support the Local #1UNITEHERE boycott of the Ameristar Casino.

The Northwest Indiana Federation of Labor is made up of over 70 labor unions and labor councils in Lake and Porter counties. Our Federation represents over 70,000 union members and their families.

A notice will go out to all of our members informing them of the resolution and recommended boycott of the Ameristar casino, until a fair and reasonable contract is negotiated and ratified.

Sincerely;

A handwritten signature in black ink that reads "Dan Murchek".

Dan Murchek

President,
